

Welcome to our Links Page.

On this page we have endeavoured to put together a selection of links for you that we hope you will find both informative and helpful. They will range from Caterers and Photographers to Transport to Tips

This first link is to a site which specialises in Wedding requirements. There are numerous tips and aids available to you and because of the vast repository of information and advice presented we will not attempt to compete with it and will stay with what we know best, and that is Local Resources.

If you hold down the [CTRL] when you click a link (CMD click for MAC users), it will open a new page for you so when you close it you will return here.

Following is a few photographers that we know well.

The first is Studio Photogenics who specialise in a 'Candid' style of Photography and who will be with you from Dawn 'til Dusk to ensure full cover of a documentary style gallery to remember your day with. They also provide a slideshow of over 300 photographs set to music. If you are working on a tight budget, they may be just what you are looking for. The site is at <http://photogenics.eu/> or phone 01302 744412.

On the next page is a list of local transport operatives.
