## THE OLD VICARAGE AT ELKESLEY

---

We are delighted that you are interested in the 17th Century Old Vicarage at Elkesley as the place for your upcoming special day.

Whether large or small, flamboyant or informal we look forward to help make that special day a wonderful and memorable experience for you and your guests.

The most important day of your life deserves the most perfect venue.

A fairy-tale setting for a magical wedding.

The winding tree lined drive provides an excellent approach for the Bride and Groom by either Horse and Carriage, Limousine or Camper Van.

Situated on the outskirts of the quiet country village of Elkesley near Retford, Nottinghamshire, The Old Vicarage is a wedding venue that is classic yet modern, low-key yet elegant, intimate but fun, a little quirky, unusual and most certainly adventurous.

# *Ceremonies*

Your wedding day is one of the most important days of your life and we are delighted to offer the facility to hold your civil ceremony within the house or outside pergola.

Our experienced manager will help you every step of the way, including advice on wedding etiquette and help with the legal requirements, planning and time lines.

Knowing that you are in expert hands, you can both relax and enjoy every moment of your special day.

Our licenced Pergola stands overlooking the shallow banks of the river Poulter.

Created using natural oak, our pergola has been hand chosen from deep in the midst of the forest, ensuring the wood was picked from the straightest of oak tree trunks, to hold the oak and larch shingle timbered roof.

# Reception

We'll make sure The Old Vicarage is exactly how you dream it will be, because nobody better understands that this day belongs to you.

The Old Vicarage can accommodate you for a ceremony and drinks only reception in the house.

We can also provide fun garden games to keep the guests entertained while you are having your photos taken.

The pergola can be lit with candles, lanterns or lamps to provide a feature or theme and the power points are used for music during and after the ceremony so your party can relax and chill after the formal stuff.

The Cave Weddings at Elkesley offers endless options to do things your own way, if you're looking for something a little different and

adventurous, then The Cave Weddings at Elkesley is the perfect venue for your wedding or event, set in 500 Million year old Sandstone river bed rock.

The bar is located in the cave and with a small marquee we can cater for up to 140 guests.

You have the freedom to select your own caterer whether it be for a formal wedding breakfast, vintage afternoon tea or a quirky street food vendor such as traditional fish and chips, hog roast, bbq or a rustic wood fired pizza oven.

Please contact us for information on availability and dates.

# Accommodation Partners

Local accommodation is available for you and your guests. We have partnered with local hotels, guest houses and glamping village suppliers. We have the facilities for you to stay at the venue, bring your own tent, caravan, motorhome or hire a bell tent village.

Imagine waking up to the stunning views and the sound of the River Poulter babbling by, whilst cooking your camp fire breakfast!
